

# Inventory Acceptance Guidelines

**\*\*JUNE-SEPTEMBER\*\***

Thank you for your interest in sharing your family heirloom or artisan items with Back in Thyme! We are so grateful that you thought of us and we are proud to offer you a selling platform for your cherished items. We will make every effort to offer you a fair price for your items and please understand that our costs (Credit Card Device transaction fees, Space, Utilities, Shopping Bags etc.) are also a significant consideration in these transactions.

We hope the following information will provide you with the details of our terms of service.

All pre-owned items are valued based on prior knowledge of selling trends or documented sale prices from local auctions and/or online trade platforms (e.g., ebay). Please understand that we are not able to pay top dollar for your items. As a retailer, we pay wholesale prices for our inventory and mark it up to cover handling and overhead costs plus meet our profit margin.
